Sponsors and exhibitors are essential to providing this opportunity for practitioners, researchers, students, and policymakers to connect and learn together. Your support for this event will...

- **Demonstrate your commitment** to advancing the ongoing work of environmental public health in Nebraska.
- **Connect your organization with over 200 environmental health system leaders and influencers** working locally and at the state level.
- **Showcase your commitment to the health of communities.** Take advantage of sponsor exhibits and other opportunities to share your message, resources, and tools, and to highlight your work.
- **Demonstrate your connection to and support of public health leaders**—including the Nebraska Environmental Health Association (NEHA), the Nebraska Association of Local Health Directors (NALHD), the University of Nebraska Medical Center’s College of Public Health (UNMC COPH), Nebraska DHHS, and others.

The Nebraska Environmental Health Association (NEHA) and the Nebraska Association of Local Health Directors (NALHD) are co-hosts of the Nebraska Environmental Health Conference. Hosts reserve the right to decline and/or prohibit participation by any exhibitor and/or sponsor, and shall not be held responsible for any injury, loss, or damage which may occur.
